Description

This is it!! You have been looking for that perfectly affordable beach retreat!!! Just steps to the beautiful Atlantic Ocean, this townhome has recently been upgraded with New Paint, Flooring, Fixtures, Appliances, HVAC, Granite Counter tops, hardware and lighting. It is a blank slate, ready for you to get your beach vacation started! This townhome is centrally located in Myrtle Beach, walking distance to many grocery stores, and restaurants, as mentioned before it is roughly two blocks to the ocean. It doesn't get any better than this. "The Courtyard" has a very low HOA and gives you the ability to pick your own insurance carrier, to shop competitively for your insurance unlike in a condominium where you are stuck with the coverage and company picked for you. This is a unique property in a great location! Homes like this do not last long!!!
