- No Basement

Description

"Stock Photos" The Poplar A floor plan provides 1404 square feet and a single car garage, separated into 2 stories. The first floor presents the open concept that creates an inviting, connected space for the kitchen, dining area, and living room. A powder room blends the extra convenience you'd expect in a 2-story home. The 3 bedrooms—including the owners suite—are located upstairs for the privacy many homeowners want. The laundry room is also on the 2nd floor. The owner's bath has a large walk-in closet and double vanity. ~~ Southeast Columbia's NEW Neighborhood ~Home is under construction and will be completed June 2025 Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
