## Description

Come and enjoy a wonderful opportunity. This 4 bedroom, 3 full bath home over 2400 sq. ft. is priced to sell! Nice open floorplan with office and full bath on the main level. This could certainly be used as a bedroom if needed. No closet but a wardrobe would serve that purpose. Spacious living room with gas log fireplace open to kitchen and breakfast area. The back deck would be great for grilling dinner, barbecue or watching over activities in the fenced backyard. The primary and 3 more bedrooms plus 2 full baths are on the second level. There is a convenient nursery/bedroom connected to the Primary bedroom. Also a large sitting area off of the Primary. Two large walk-in closets, double sink vanity, separate shower and jetted garden tub in this well appointed Primary bathroom suite. This home is well located north of Furman University. Just minutes by Bicycle to the swamp rabbit trail for recreation and exercise. Less than 20 minutes to downtown Greenville for fine dining or entertainment events. An easy 30 minutes to the GSP International airport. 25 minutes to the splendor of mountain hiking and exploring. This is a wonderful location!!!! This is an estate sale and the P.R. has never lived at the home so it is to be sold as is. Definitely have a home inspection. Exempt of Seller disclosure. This is an Estate sale / P.R. has never lived in the house. Only disclaimer is when they were cleaning the house out they noticed the front water spigot back flowed into the house.
