Description

I am pleased to announce that the newly renovated four-bedroom, one-and-a-half-bath ranch-style home is now available for a new owner. The house features fresh paint, new appliances, updated lights and fans, brand-new flooring, and smooth ceilings throughout the bright family room. The updated kitchen boasts a new butcher block, a white subway tile backsplash, crisp white cabinetry, recessed lighting, and stainless steel appliances. Down the hallway, you will find three-sized bedrooms. In addition, there is a nicely added back porch where you can enjoy time away from the hustle and bustle. This is a must-see property in the centrally located Pepperhill Neighborhood of North Charleston. I encourage you not to miss out on this prime location.
