Description

[]Welcome to The Wisteria III!! This model is very popular with people who like the large open living space and high vaulted ceiling. There are quartz countertops in the kitchen AND baths along with LVT flooring throughout the main living areas of the home. The Owners suite features a walk-in shower, double vanities, private water closet and huge walk-in closet. An oversized covered patio means sitting on the patio even when it rains. This is a natural gas community, and this house is fitted with a gas powered tankless water heater so running out of hot water is NEVER a problem. One of the most popular models and the LAST Wisteria available in Beach Gardens. So don't wait!!
