Description

PRICED BELOW APPRAISAL!! Tucked away on a sprawling 30 serene acres, this charming Lowcountry-style home offers the perfect blend of comfort and simplicity. The home's open floor plan creates a welcoming atmosphere ideal for relaxed living and entertaining. There are hardwood floors throughout, tile in the bathrooms, a large kitchen with stainless countertops and two bedrooms that share a bath on one side of the house, with the large primary bedroom with jetted tub, dual vanity and separate shower on the opposite side. The spacious front porch is a signature feature, perfect for morning coffee or enjoying the peaceful, natural surroundings. Surrounded by towering pines, oaks, and wide-open fields, the property offers ample room for nature walks, gardening, or simply soaking in the peaceful, unspoiled beauty. Though unassuming in its design, the walls are 1' thick poured concrete with the ability to withstand 250 mph winds and foundation and walls all the way up to the roof are one monolithic pour of concrete. This home exudes a warm, down-to-earth charm, with ample space to breathe, unwind, and appreciate the tranquility of rural living. There are so many possibilities to explore: Family compound, Venue of sorts, Horse Farm, Wildlife refuge-Let your mind wander. Located close to town, beaches, shopping and dining, this is truly the Best Kept Secret.*** Please note: Some photos in this listing have been virtually staged to help visualize the potential of the space. These images are intended for inspiration only.
