Description

BACK ON MARKET NO FAULT OF SELLER. Private acreage in Westcliffe! 328 Eastcliffe Way is a spacious twentieth century traditional with a fabulous finished basement! Perched on a hill with a newly poured concrete drive and surrounded by mature trees, you will love the stillness of this natural setting. The new wrap-around gated Deck with mesh railing is amazing and sure to be a favorite spot for relaxing. A new roof and new Kitchen windows showcase clean curb appeal and give peace of mind for the next owner. Once inside, this expansive floorplan will surprise you! The Family Room is rather impressive with its stacked stone fireplace, built-ins, uplighting, and soaring vaulted ceiling with wood beams. A peep window into the Kitchen gives the chef opportunity to stay in the conversation. Lovely quartz counters, pristine cabinetry, a deep well sink, an array of appliances, upgraded LVP flooring, and a marvelous bench seat with storage give a pleasing and functional place to cook meals! Central to these rooms is an open Dining Area with crown molding and double glass doors to the Deck. All of the Bedrooms are located down the front Hall, with the Owner's Suite tucked away in the back. Soft carpet, more uplighting, an extended granite vanity with sundries cabinets, a beautifully tiled shower, and walk-in closet will beckon you to relax after a long day! Two additional Bedrooms, one with built-ins, share a Jack-n-Jill Bath that also opens to the Hall. Conveniently, the Laundry Room with cabinetry, shelving, a super hanging rack, and an ironing board is located nearby. The basement level has tons of flexibility! Create family fun as a Rec Room and Media Den or, because of the Full Bath & closet nearby, make this a fabulous Teen or Guest Suite. The family handyman will absolutely love the interior unfinished shop that you can easily heat/cool as needed and the expansive Garage with more shop and storage space. It's beyond notable that security cameras, the sound system, TV, pool table, and garage refrigerator all remain with the purchase! Outdoor life is pleasant on the huge Screened Porch or sitting under the Deck Pergola. There is a great fenced portion of the lot, as well wonderful RV parking! With a perfect location fifteen minutes to downtown Greenville and less than ten to Saluda Lake Landing, your family will enjoy adventure, culture, and dining galore! This incredible property is calling you HOME today!
