Description

Two Bedroom, Two Bathroom Condo in heart of Downtown Charleston with a lot of potential as an investor or an owner who is looking for a property to make their own. Dockside 4C is an empty canvas. The condo has an open floor plan with access to the balcony from the family area and both large bedrooms. The balcony has views of the City and the newly remodeled courtyard. Dockside is conveniently located to the SC Aquarium, parks, and King Street. The community has wonderful amenities including a pool, a pier, a workout facility, parking, and social areas. The community is currently undergoing a structural review and may have access limitations. The Guard House requires advanced notice for buyers and agents. Review seller's disclosure for important information regarding the property.
