Description

Price REDUCED! No HOA! This home has plenty of outdoor space with .32 acres of land. The yard has 2 sheds. The larger shed has a corrugated PVC roof with electricity. Gutters on the home were installed in 2022. This home also has a security system ready to be set up. Enjoy the outdoor firepit. The yard has enough room for an above ground pool. Since there is no HOA, you may be able to install an inground pool. As for parking, there is also plenty of parking for your car, boat or RV. The inside of the home is warm and welcoming. The kitchen has a brand new sink, garbage disposal, wall oven and a newer refrigerator. Located on a dead end road, you have very little traffic. Having 2 points of entry to this area is another plus. Being so close to shopping and the airport makes this home hard to pass up. Make us an offer today.
