Description

\$25,000 PRICE REDUCTION! REDUCED AND PRICED TO SELL!! LOCATION! LOCATION! LOCATION! DESIRABLE AREA w/NO HOA FEES! LARGE .72-ACRE LOT! QUALITY REMODELED BRICK HOME! POTENTIAL IN-LAW SUITE! TOP RANKING SCHOOLS! GREAT PRICE FOR ALL! Nestled between Roper Mountain and Woodruff Road, this nice property is just minutes from Greenville's major shopping and dining, with interstates nearby, providing easy access to other Upstate cities, i.e. Spartanburg, Anderson, Clemson, etc., for entertainment and employment. The Greenville/Spartanburg International Airport is just minutes up the road via these interstates as well. A "rare-find" property on nearly an acre and in a neighborhood with surrounding properties up to/exceeding \$1M, yet with no HOA. This large yard backs to a treed area, providing natural "green" privacy (approximately ¾ year). The covered rocking-chair front porch plus the screened porch on the side give the opportunity to enjoy the front, as well as the back of this versatile lot. You may have a garden out back in this large space or fence it in for children or pets. Extra parking was designed for this new driveway. This full brick (nothing like brick!) ranch home is designed for a couple or family to live totally on the main level, but there is a newly finished walk-out basement that can comfortably house multi-generational families or be used for an office. You will notice the new stylish design from the moment you walk into the front door into this totally open main living area. Upgrades exude in the kitchen including the Shaker cabinetry with soft-close technology, beautiful quartz countertops and backsplash. The stainless upgraded appliances also exude beauty and convenience in the kitchen/dining area. The owners' suite is complete with a walk-in closet and full bath, including a double-sink vanity and a stunning tiled shower. Two additional bedrooms share a lovely bathroom on main floor. The walk-out basement, potentially an in-law home includes 2 bedrooms, a rec room, an office/exercise room plus another full bathroom. There are HVAC vents plus mini-split heating/air units in the 2 bedrooms. Updates/upgrades include new septic tank drain field, new roof, new tankless hot water heater, French drain with sump-pump, fully remodeled kitchen and bathrooms, built-in dehumidifier, electrical update, new screened porch with gorgeous wooden tongue 'n groove ceiling and beautifully refinished REAL hardwood floors on main floor. What a GREAT PRICE for this WONDERFUL HOME in this AMAZINGLY CONVENIENT LOCATION!!! (If SF is important to buyer, buyer must verify.)
