Description

NEW STANLEY MARTIN HOME! Step into the Poplar floorplan, a home designed with care and versatility to suit your lifestyle. The inviting main level features a sought-after guest bedroom, perfect for hosting overnight guests. A cozy electric fireplace with a stunning stone surround anchors the family room, seamlessly flowing into the open-concept kitchen. The kitchen is a chef's dream, equipped with a wall oven, large center island, and a generous walk-in pantry to keep everything organized and within reach. Head upstairs to find space and comfort for everyone. The primary bedroom is a serene retreat, boasting an ensuite bathroom with a tiled shower and built-in seat, a separate garden tub, and convenient access to the upstairs laundry room. Three additional bedrooms all feature walk-in closets, ensuring plenty of storage for everyone's essentials. A Jack and Jill bathroom connects two of the secondary bedrooms, offering both privacy and functionality. The versatile upstairs layout continues with a large flex room—a space perfect for unwinding, entertaining, or creating a media center. A thoughtfully designed pocket office with its own desk provides a quiet corner for work or study. The open railing along the beautiful oak stairs completes the home's elevated aesthetic, adding warmth and character. Every detail of this home has been carefully considered to provide both style and practicality. It's not just a house—it's a place where your family's next chapter begins. Don't wait—schedule your visit today and imagine life in the Poplar floorplan! STOCK PHOTOS used for The Poplar floorplan for illustration purposes.
