Description

This house is centrally located between Laurens and Clinton, and is a short drive to 385 and Hwy 72. However, it has a "county" feel to it. It sits back off of the road and also has a nice back yard. It is move in ready and would make a great house for someone looking to move out of the city, down size, or a starter home. The house has new LVP flooring in main living areas, New Marble counter top and Stainless Stove in the Kitchen, New carpet in the bedrooms, new fixtures throughout, and is freshly painted inside and out.
