Description

Nestled in the serene and charming community of Village Green, this stunning home offers the rare combination of comfort and natural beauty. Backing up to the lush 152-acre South Carolina Park, this property provides scenic views, perfect for nature lovers and outdoor enthusiasts. As you approach the home, you're greeted by a spacious, covered front porch--ideal for relaxing evenings or waving hello to friendly neighbors. Upon entering, you'll immediately notice the new flooring installed in 2022, setting the tone for the updated features throughout. To the left, you'll find convenient access to the garage, and to the right, a formal dining room with ample space for your china cabinets and sideboards, perfect for hosting family gatherings or dinner parties. Continuing through, the laundry room (with door removed by owner but easily reattached) provides space for a folding table. The washer and dryer, purchased in 2023, will convey with the home. A powder room is also conveniently located on this side of the home. The redesigned kitchen (2022) boasts new flooring, cabinets, granite countertops, and a farm sink. All appliances Stove (2018), Dishwasher (2023), Refrigerator (2022) will convey. The eat-in area offers a cozy spot to enjoy meals while soaking in the views of the serene backyard. Step outside onto the 16x17 screened porch, added by the seller in 2014, where you'll take in the peaceful surroundings. The backyard features a firepit, perfect for entertaining, and raised garden beds that have produced a bountiful harvest each year. The seller has cherished this outdoor space for many years, and now it's your turn to enjoy. Inside, the generously sized family room (15x15) is perfect for relaxing or hosting guests. The fireplace has been a cozy focal point for many enjoyable nights. Upstairs, you'll find 3 bedrooms and 2 full bathrooms. The master suite features vaulted ceilings and can easily accommodate a king-size bed and additional furniture. The walk-in closet, with built-in shelving, offers plenty of space for shoes, clothes, and more. The master bathroom also boasts vaulted ceilings and includes a soaking tub and separate shower. Both guest rooms are spacious enough to fit queen-size beds, and each features its own walk-in closet for ample storage. A flex space provides great bonus potential perfect for climate-controlled storage or as a home office. And don't miss the walk-in attic area over the garage, which could be converted into additional living space with a little creativity and design. The garage is nicely sized, offering room for two cars, a workbench, a second refrigerator or chest freezer, and even has a back door for easy access to the backyard. The water heater was installed in 2023. This property is NOT in a flood zone. Smart light switches throughout the home will convey, and many rooms have been freshly painted with brand-new carpet throughout, making this home as turn-key as it gets! Community Features: Village Green offers a variety of social functions throughout the year such as occasional Food Trucks. Neighborhood pool and play park This home is truly move-in ready and waiting for you!
