Description

Welcome to Serenity Place nestled in gated Ocean Ridge Resort. This spacious two bedroom, two bath upper-level villa recently furnished with coastal decor, has everything you need to escape from the hustle and bustle of everyday life. An open floor plan and 2 triple sliders, the villa is filled with natural light and a coastal vibe when you enter. The kitchen flows into the dining and living rooms and features top of the line appliances, white custom cabinets, granite countertops, and backsplash. A laundry closet with a new stackable washer and dryer is just off the kitchen. The master bedroom is connected to a private en-suite bathroom and double California Closet designed closets. The second bedroom is located near the entry with access to the second bathroom from both the bedroom and living room areas. The villa features 9-foot ceilings, sprinkler system, alarm system, hurricane rated windows and sliding doors. The HVAC is only three years old and is integrated with the Honeywell Home Total Connect Comfort system, perfect for adjusting temperature levels from anywhere with this remote technology. Ceiling fans and updated lighting are present with LVT and tile floors throughout. Enjoy peaceful sunrises and sunsets with cool ocean breezes, relaxing meals, or even watch golfers on the deck customized with Polywood outdoor furniture. With an expansive view of the 9th Fairway of the Plantation Course, the deck is accessible from both the living room and master bedroom. The building, built in 2011, has architectural shingles and cement plank siding on the exterior. With the elevation of the building, ground-level private storage is provided for your outdoor beach gear along with additional areas to park bicycles, boats, and golf carts. Features also include a foot shower at the staircase entrance and dedicated golf cart parking with charging stations. It is in a perfect location to access all Ocean Ridge amenities, including the delightful Sea Spray Café and Edisto's newest fine dining restaurant, Pros and Cons, the Atlantic Beach and St. Helena Sound as well as restaurants, The Marina at Edisto, and Bay Creek Park. You just need to pack your bags! What are you waiting for?
