- Disappearing

Style

- Traditional

Description

Estimated Ready for August, 2025! This is our COVETED Wrigley floor plan on the private back street of Southgrove Community in Charming Fountain Inn. Hardboard siding with Cedar shutters and Cedar front porch columns add more rustic appeal to this sought after floor plan. As you enter the foyer, you are immediately drawn to the upgraded craftsman trim work in the foyer and formal dining room, which can easily double as a study. Separating the dining/study from the incredible kitchen is the Butler's Pantry with upper and lower cabinets, granite top, and tile backsplash for even more space and enhanced design. This area has a window for natural light, and across from the Butlers Pantry is a large walk in storage pantry. A huge center island in the kitchen with granite countertops open this living space up even more. Miss none of the action while cooking and congregating with the cozy family room fireplace. Step out on to your 12 x 18 covered patio for an extension of living space. The main floor is complete with a secondary bedroom and full bath, making this home ideal for guests. Upgraded flooring throughout the first floor, gorgeous cabinetry and designer fixtures. Proceed up the grand hardwood staircase to the extra large loft for media space. The Primary Suite includes a massive luxury tiled walk-in shower with corner seat, tile flooring, and double vanities with granite countertops. 2 car finished garage. Video doorbell and tankless gas hot water heater are just more extras! This homesite is near a cul de sac, with sidewalks and a nearby playground. Hop in a golf cart to downtown Fountain Inn, where the city keeps you engaged in the community. Zoned for top rated Greenville County schools and the new Fountain Inn High School just 1.7 miles down the road. Come see the Trust Homes Difference!
