Description

One level living at its FINEST! This gem of a home is in the lovely Tidal Walk Community in Mt. Pleasant. This METICULOUS one-owner home will rival new construction as it has been lovingly maintained and enhanced by its owners. Upon entry you will be impressed with the light-filled open concept floor plan. The kitchen is stunning, with a large center island, abundant cabinets and counter space, and gas cooking for the chef in the house! A gas fireplace flanked by custom built-ins make a beautiful focal point in the family room. Enjoy lovely views of the pond behind the home and relax in the sunroom as you sip your coffee each morning or take a little afternoon siesta perhaps. The owner's suite is on the rear of the home and enjoys the pond views as well. Dual vanities and a luxurious shower room are highlights of the primary bath and a huge walk in closet is an added benefit. Two additional guest bedrooms, one with a vaulted ceiling, share the second full bath. This is one of Tidal Walk's most lovely home sites, and a beautiful paver patio behind the home provides an outdoor living area overlooking the pond. Gorgeous landscaping not only adds to the curb appeal but also creates a garden oasis vibe in the back yard. Tidal Walk is conveniently located off Long Point Road in Mt. Pleasant, offering its residents proximity to the local schools, shopping and dining as well as easy access to Highway 526. The airport is a mere 15 minute ride, and beach lovers will enjoy the equally short ride to the beaches at Isle of Palms and Sullivan's Island. You can be in Historic Downtown Charleston in 20 minutes, or head over to trendy Park Circle for a great meal or to enjoy the amazing playground, just 10 minutes from this home. The Tidal Walk community offers a pool and playground for residents to enjoy. This location can't be beat and this stunning home is sure to sell quickly so don't delay in scheduling your tour!
