Description

Immaculate single level 3 bedroom, 2 bath, 2 car garage home in The Village at Longs just 10-15 minutes from beach! Natural gas community. Home was built in 2022 with 1701 heated sqft on a large .22 acre corner lot. Smooth ceilings throughout...no popcorn! Compared to what the builder offers, the owners have added a full irrigation system, refrigerator, washer & dryer, added ceiling fans in both guest bedrooms and matching laminate flooring in bedrooms, bathrooms, laundry room and closets. That's right...owners removed all carpet and vinyl floors and replaced with matching laminate floors to provide a seamless flow of flooring throughout the entire house! Home offers so much more as well. You enter through a wide foyer that opens into the family room and kitchen with an 11'9" vaulted cathedral ceiling making the area feel so large and allowing tons of sunlight into the rooms. The great room is 18'8 x 16'6 with a ceiling fan. The open kitchen features quartz countertops and staggered white cabinets with top crown molding. The work island has a double undermount sink and a breakfast bar. All Frigidaire stainless-steel appliances convey: refrigerator, gas range, microwave, dishwasher, and garbage disposal. Tons of counter space and cabinets with a double-door pantry to boot. Nicely sized dining area just off the kitchen is 12'8x11'6 with a side door leading to the covered back porch and backyard. The front 2 guest bedrooms are 10'10x12'6 and 11'2x11'4 with newly added ceiling fans and laminate floors. Guest bathroom has a side window for natural light and a tub/shower combo. The primary bedroom suite on the opposite side of the house is 14'x17'8 with an oval shaped tray ceiling and ceiling fan, long vanity with double sinks, 5' walk-in shower with seat, 2 linen closets, and a large walk-in closet (12'8x5'2)...all with new laminate flooring. Large laundry room has side-by-side Frigidaire washer and dryer (both convey) with overhead shelving and 2 nice sized storage closets. Other features of the house include insulated Low-E Glass single hung tilt windows and patio doors, 14 SEER central air with energy-efficient gas furnace, energy-efficient Rinnai™ tankless gas water heater, and hardwired security system ready (owners never activated). Enjoy the 15'8x8' covered back porch with an additional 15'8x8'7 uncovered concrete patio. Covered porch has a ceiling fan and could easily be screened if desired. Recently installed irrigation all around the house helps insure you keep the lawn in top shape during the hot summer months. Termite Bond is in place as well. The attached 2 car garage is 19'6x20' with pull-down stairs to the attic for additional storage. Just a couple of minutes away are grocery stores, the newly built post office and plenty of gas stations. Come see this beautiful, well-maintained home that is away from the hustle and bustle of the city but yet so close to everything North Myrtle Beach has to offer: shopping, restaurants, entertainment, shag dance clubs, the Intracoastal Waterway...and don't forget the amazing sandy beaches of the Atlantic Ocean!
