## Description

Welcome to this charming 3 bedroom, 2 bathroom home nestled on a spacious wooded lot in the Cedar Springs community (no HOA). The expansive lot provides plenty of room for outdoor activities, gardening, or simply enjoying the serene surroundings. The true highlight of this home is the stunning live oak tree in the backyard, creating an enchanting setting for your outdoor living. Enjoy the view from the screened-in porch, where you can relax and take in the natural beauty. For an even more elevated outdoor experience, step onto the custom-built 400-square-foot deck complete with solar lighting and a high-quality outdoor entertainment system--ideal for hosting gatherings, enjoying movie nights under the stars, or listening to your favorite music while surrounded by nature. Inside the home features an open and airy layout with a spacious living room perfect for gatherings or relaxing. The well-appointed kitchen boasts modern appliances and plenty of counter space, while the three generously sized bedrooms offer a tranquil retreat at the end of the day. Additionally, the attic provides ample storage space, offering a convenient solution for keeping your home organized and clutter-free. Don't miss out on this rare opportunity to own a home that perfectly blends comfort, nature, and entertainment. Make this peaceful oasis your new home today! Be sure to check out the notes for recent updates made to the home.
