Welcome to 3589 Walter Drive, a cozy cottage nestled under the oaks and located in a very desirable residential community in red-hot Johns Island. It is close to several restaurants, grocery stores and other retail businesses and is just 16 minutes to Kiawah and Seabrook Islands and just 24 minutes to Charleston. The home has two bedrooms, one bath and is 1,182 square feet. The home, built in 1962, was totally renovated in 2022, including a metal roof, new appliances, quartz countertops, island with sink, luxury vinyl floors, and tile floors in bathroom and utility room. Board and batten walls and the fireplace add character to the interior. The large 0.34-acre lot has mature trees and landscaping. There is also an attached carport and a 16' x 12' storage shed.
