Description

Welcome to 3608 Maidstone Drive--a stunning 4-bedroom, 4-bathroom retreat offering the perfect blend of luxury living, thoughtful design, and low-maintenance outdoor life in the heart of Carolina Park. Boasting 3,187 square feet, this home features a bright, open floor plan with brand-new English oak hardwood floors that bring warmth and elegance to every room. The living room stuns with soaring 12-foot ceilings, while the main-floor primary suite offers a peaceful escape with vaulted ceilings and tranquil backyard views. Each bedroom includes its own private bathroom--ideal for comfort and privacy. The upstairs playroom or flex space gives children or guests their own area to unwind, and a custom-built dog room ensures even your furry family members feel at home. Step outside into a travertine backyard paradise, complete with a 14x30 heated and cooled saltwater pool, surrounded by 10-foot privacy hedges and serene pond views filled with natural wildlife. Best of all, there's no grass to mow--just space to relax, entertain, and enjoy. The home is located directly across the street from the community playground, dog park, and the tennis and pickleball courts at the neighborhood center. Miles of walkable nature trails weave through the neighborhood, and both Carolina Park Elementary and two top-rated high schools are within walking distance. You're also just minutes from Costco, shops, dining, and the beautiful beaches of Mount Pleasant. If you're looking for a resort-style backyard, top-tier schools, and a home that checks every box--this is the one.
