Description

Welcome to 362 Pelican Flight Drive on Dewees Island--a coastal retreat where each step reveals thoughtful design and endless island charm. As you arrive, you'll enter the ground-level garage with ample parking for golf carts and plenty of storage space for all your beach and water gear. Here, you'll also find an outdoor shower for rinsing off sandy feet after a day on the beach. Take the elevator to the first floor, where three inviting guest bedrooms await, one of which is a junior primary suite. Each room has a private screened porch to enjoy the surrounding natural beauty. A convenient laundry room completes this level, creating an ideal space for family and guests. Ascending to the main living level, you're welcomed by an open-concept kitchen, dining, and living room with soaring vaulted ceilings. Granite countertops, a gas cooktop, and a butler's pantry elevate the kitchen for entertaining, while built-in shelving and a Juliet balcony add character to the space. Expansive sliding glass doors line both front and back walls, inviting stunning views and breezy ocean air into every corner. The spacious primary suite is also located on this level. Dewees Island offers a peaceful haven, free from crowds and automobiles where golf carts and bicycles are the only forms of transportation, creating a timeless beach-town feel. This is coastal living at its finest, where your island escape is ready to welcome you home.
