Description

Opportunity to build in the last frontier of Mount Pleasant, decidedly not "cookie cutter" where you can still park your boat, RV, build a modular home, drop a trailer or erect a custom million dollar plus property of which there are many. A neighborhood without mandatory HOA but for a modest annual fee of \$60 you may have access to neighborhood boat landing to launch your watercraft of just golf cart down to marvel at the sunset. Trailer on property will be vacant by end of March and sold at no value. Should be removed. Lot has public water/sewer and electric run to lot. There is a water dept pump on back left side of property (several dispersed throughout neighborhood), can be landscaped around. Backs to creek. Attends Carolina Park Elementary, Thomas Cario Middel and Wando HS
