Description

Prepare to be dazzled by 3734 Saint Ellens Drive, where low country living doesn't get any better than this! This spacious 4 bedroom, 3.5 bath Darrell Creek home sits on a huge .65 acre lot with 160 feet of waterfront on a peaceful brackish lagoon. Yes, you can fish for redfish, tarpon, and speckled trout right in your own backyard! There's plenty of room for a pool, a playset, and whatever else your crew dreams up. Inside, there's room for everyone: the primary suite is on the main floor and features fantastic water views, and there's another master suite upstairs, great for guests, teens, or even multigenerational living. Two more bedrooms share a Jack and Jill bath, and the whole home has been freshly updated inside and out, including newluxury carpet in the bedrooms, fresh paint in various rooms throughout, and newer stainless steel appliances including double ovens, gas cooktop and dishwasher. You'll love the walk-in pantry and laundry room, tons of storage, granite countertops, and dual closets and vanities in the primary bath. The NEW ROOF and newer HVAC systems mean fewer worries and more time enjoying your home. Downstairs, the ground-level garage is already roughed in for a full bath and has 400 AMP electrical service, so adding a guest suite, game room, or in-law space would be a breeze. And the location? It's hard to beat. You're just minutes from Costco, top-rated shopping and dining, only 15 minutes to the beach, and 25 minutes to downtown Charleston. Whether you're commuting, hitting the coast, or running errands, this spot makes daily life a breeze. This is the kind of place where you can spread out, grow roots, and really enjoy life. Come see it for yourself! Your next chapter starts here.
