Description

This custom-built home by Jackson Built offers an exceptional blend of elegance and functionality, featuring 5 bedrooms and 4.5 baths, perfectly situated on a quiet cul-de-sac in the highly sought-after Riverside section of Carolina Park. From the moment you step into the welcoming foyer, you're greeted with curated design elements such as a richly colored study with custom barn doors, adding both charm and character. The formal dining room flows seamlessly into a chef-inspired kitchen and vaulted living room, creating an open, inviting space ideal for entertaining. Just off the dining room, a private courtyard provides a perfect setting for al fresco gatherings. The first-floor primary suite offers the ease of one-level living, while custom lighting, wallpaper accents, and designer tile selections set this home apart as one of the most thoughtfully designed in Riverside. A large walk-in pantry, functional laundry/mudroom off the garage, and abundant storage add everyday convenience. Upstairs, two bedrooms feature en suite baths, while two additional bedrooms had a shared bathroom, offering both privacy and practicality. The screened back porch creates a tranquil outdoor living area, with room for a small pool or a grassy play space for pets. This home is the ideal balance of luxury, space, and livability.
