Description

Welcome to this beautifully remodeled 3-bedroom, 3.5-bath ranch-style home in the heart of downtown Loris—offering both residential and commercial potential with its C-2 zoning and NO HOA! Sitting on a spacious 0.46-acre lot, this home boasts a brand-new interior with LVP flooring throughout, a stunning kitchen featuring soft-close cabinets, quartz countertops, a large waterfall-edge island, and new Samsung Bespoke appliances. The two master suites provide ultimate comfort—one with a sitting area, a large walk-in closet plus two additional closets, and a luxurious bath with a walk-in rain shower, while the second master also features a walk-in closet and en-suite bath with walk in shower. A guest suite and powder room add convenience for family and visitors. Enjoy multiple living areas, including a flex room ideal for formal living or dining, a large family room with a fireplace, and an oversized laundry room. Recent upgrades include a newer HVAC and roof (both less than five years old), all-new plumbing, electrical, and lighting, plus fresh paint throughout. Outside, relax on the front and back porches, take advantage of the circular driveway plus additional parking with a carport, and enjoy being within walking distance to the hospital, Main Street shops, and restaurants. Don't miss this incredible opportunity in the heart of Loris!
