Description

Entertaining is effortless in this stunning deep-water home, but it's the quiet moments--soaking in nature's beauty and the peaceful flow of the Wando River--that will truly captivate you. As you step through the front door, an abundance of natural light and breathtaking river views draw you in, leading past a private office and a guest suite. The open-concept living area and gourmet kitchen, complete with high-end appliances and designer finishes, seamlessly extend through triple glass doors onto a sprawling screened porch and deck--perfect for indoor-outdoor living. Step down to the expanded, fenced backyard, where a shared walkway leads to your private dock with a floater, ideal for boating, fishing, or simply unwinding by the water. On the second floor, the primary suite is a true retreat, featuring a spa-like bath with double vanities, a soaking tub, and an upgraded jetted shower. The showstopper? A large private screened porch off the suite, the perfect spot for morning coffee or an evening nightcap as you soak in the river views. This level also includes two guest rooms flanking a Jack-and-Jill bath, a versatile loft space with storage, and a convenient laundry room. The third-floor media suite is a bonus, offering endless possibilities for entertainment or relaxation. Accessible via a four-stop elevator, this space ensures ease and comfort for all. With thoughtfully designed indoor and outdoor spaces, this exceptional home offers something for everyone: a place to gather, unwind, and savor the beauty of waterfront living.
