The highlights of this 4 BDRM, 3.5BA stunner include a spacious entryway that has clear sight lines to the rear yard and marsh out of the back of the home. The kitchen/great room combination is open, spacious, full of windows, and provides direct access to the generous rear screened porch overlooking the tidal marsh. The private owner's suite is on the main level with a feature rich owner's bath including two separate vanities, free standing tub, walk-in tiled shower with frameless glass shower door, and two large walk-in closets and access to the first floor laundry room. Up the stairs there are three bedrooms, two full baths, a large playroom/flex space, a second laundry room, and a pocket office. Back downstairs in the kitchen, a high impact Stainless Appliances all surround a beautiful center island. The kitchen cabinet layout offers plenty of storage. Featuring Lowcountry-inspired homes created by Riverside's award-winning custom builders, this unique offering provides a rare chance to enjoy a custom elevated home just steps away from one of Riverside's most significant amenities - Bolden Park and Lake.
