CUSTOM BUILD.. Reminiscent of a coastal cottage, the wide and deep front porch with metal roof accents and unique custom styled front railings say WELCOME. The highlights of this 4/5 BDRM, 3.5BA, 3,590 SF charmer includes a thoughtfully designed open floor plan with a traditional flare. Light pours into this home from front to back. The spacious entry way has a clear view to the back of the home and is flanked by an elegant dining room featuring a stately butler's pantry and adjacent rather oversized walk-in pantry. The kitchen/great room combination is open, spacious, full of windows, and provides direct access to the generous rear screened in porch which runs the entire width of the back of the home. This space also features a custom site built coffered ceiling and custom crafted built-ins on either side of the gas fireplace. The private owner's suite is on this main level with a feature rich master bath including two separate vanities, a soaking tub, walk-in tiled shower with frameless glass shower door, two large walk-in closets, and a private access to the laundry room. Meander upstairs to reveal an extraordinary second floor featuring a cozy sitting area, three additional bedrooms, two full baths, AND a media/playroom/5th bedroom area. Featuring Lowcountry-inspired homes created by Riverside's award-winning builders, this unique offering provides a rare chance to enjoy a CUSTOM home close to one of Riverside's most significant amenities - Bolden Park. With its convenient Mt. Pleasant address, abundant natural beauty, friendly neighbors and endless array of amenities and conveniences, Riverside provides residents with a true sense of community.
