Description

With views of the first tee and the eighteenth hole, this 3 bedroom/3 bath also includes a beautiful view of boats traveling North to South and vice-versa on the waterway! All bedrooms have their own separate space and each has it's own bath. Large closets and a spacious stairway to the second floor that is well lighted. A one car garage, courtyard, and a storage room on the first floor. A most relaxing environment, yet close to all that's happening in Myrtle Beach!
