- No Basement

Description

Welcome to 402 Hudson Street—an updated 1948 classic in the heart of historic Winnsboro. Sitting pretty on over half an acre with mature landscaping, this home has charm, space, and flexibility, all with no HOA or neighborhood restrictions. Step inside to a spacious layout that starts with a large, refreshed dine-in kitchen featuring granite countertops, breakfast Bar, updated appliances, custom built-ins, and a cozy keeping room area that's perfect for casual hangouts. The flow continues to a formal dining room and inviting living room, ideal for entertaining or quiet nights in. The primary bedroom offers something special—a private sitting area that leads down to a unique sunken room with built-in cabinetry. Once used as an artist's studio, it's the kind of space today's buyers love: home office, yoga room, creative space—you name it. The primary bedroom with en suite also includes two separate closets. Original hardwoods run through most of the home, now protected by new laminate flooring for easy maintenance. Bathrooms feature tile flooring, and moldings throughout add the right touch of character. Enjoy peaceful mornings on the front porch and evenings on the back deck overlooking the spacious fenced backyard. There's room to relax, garden, play, or entertain. Fresh paint and thoughtful updates make this home move-in ready, while its layout and spaces give plenty of room to make it your own. Come experience 402 Hudson for yourself—it's even better in person. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
