Description

You'll want to see this one! 5 bedrooms PLUS a large second floor loft. Main floor master suite includes private bath with shower and garden tub. Bedrooms 2 and 3 are on the main level and include large closets. The laundry room is also on the main level and has enough room for a freezer. Large two car attached garage provide ground level entry. Entrance thru the front door opens to a large foyer with an open staircase. To the right is an ample formal dining room with a vaulted ceiling. Vinyl plank floors will lead you from the foyer down a main hall past the kitchen that opens to a second dining area. The area continues with an open view into the large family room that includes a fireplace and high ceilings. Just outside the back door is a large covered porch that overlooks a wood fenced back with a small storage shed. There is a side entry gate thru the wood fence large enough for vehicles on the side yard of the house. Plenty of room to park four cars on the LEVEL driveway and a cul de sac location. The second floor of the home includes bedrooms 4 and 5 and includes a shared bath PLUS a huge second floor loft overlooking the main foyer. New carpet in the master bedroom and one first floor room plus vinyl plank floors in all other first floor rooms. Home is in a great location just 2 Miles to Blythewood High, downtown Blythewood and DOKO Meadows Park. The new Scout plant is less than 4 miles. Its still surprising to me that this home includes 5 bedrooms PLUS a large loft/game room on the second floor. Home is now vacant. Schedule your showing today!
