Style

- Low Rise

Description

Beautiful 2 bedroom/2 bath condo on the 3rd floor with private serene views off of the porch. Situated right near the pool, this condo is only a few steps for you to enjoy a day in the sun without having to pack up the car to the beach! Enjoy luxury vinyl plank flooring throughout the condo and soft gray walls which create a peaceful atmosphere within! All appliances have been replaced within the last 2 years and the HVAC and Hot Water Heater are approx. 5 years old. This is a perfect location for someone looking to downsize but wants to be close to things to do including the famous Little River Waterfront - home to the Blue Crab Festival! Also inviting for investors looking to increase their portfolio with either long term or short term rentals options. Or maybe you are looking for a 2nd home - condo without the large insurance premiums along the shoreline but being close enough to the beach, less than a 10 minute drive - this is a GREAT option! Close to all area attractions including Calabash, NC (home of Calabash Seafood) also where fishing charters bring in fresh seafood for sale to the public or Myrtle Beach, SC where tourist options are plentiful from shopping, dining to theater attractions.
