Description

**** Assumable Mortgage at 4.75 This stunning almost brand new 4-bedroom, 3-bathroom home is thoughtfully designed for style and functionality. The open floor plan features a versatile loft, a formal dining room, a cozy breakfast nook, and a chef's kitchen with granite countertops, a butler pantry, and a walk-in pantry. The primary suite is a luxurious retreat, complete with a seating area and plenty of space to unwind. A mudroom off the garage adds convenience, and the main floor includes a bedroom and a full bathroom, ideal for guests to have their own space. The outdoor area is perfect for entertaining, with a private hot tub, a built-in grill, and a fully fenced yard. An owned security system provides added peace of mind. Conveniently located near schools, parks, and shopping, this home truly has it all. Schedule your tour today!
