Built in 2023, this home offers the rare opportunity to skip the construction wait and enjoy low-maintenance, modern living right away. Spanning three levels, this home offers exceptional space and functionality. The main living level showcases an open-concept layout ideal for entertaining. The spacious family room flows effortlessly into the gourmet kitchen, featuring a large center island, gas range, walk-in pantry, and upgraded finishes throughout. A versatile flex room, enhanced with elegant glass French doors, can serve as a formal dining area or home office. Outdoor living is easy with both a front balcony and a screened-in back porch, perfect for enjoying the year round Lowcountry weather. Upstairs, the top floor features two generously sized bedrooms. The primary suite is located at the rear of the home for privacy and includes a large walk-in closet and spa-like ensuite with dual vanities, a soaking tub, glass-enclosed shower, and private water closet. The secondary bedroom also features a walk-in closet and easy access to a well-appointed hall bath with dual sinks and a large tiled shower with bench. A convenient upstairs laundry room adds ease and additional storage. The entry-level floor offers a private guest suite with its own full bath, walk-in closet, and access to a private outdoor patio. Additional highlights include a mudroom, multiple storage closets, and a one-car garage. Don't miss this opportunity to own a beautifully maintained, turn-key townhome in a prime location!
