## Description

Direct oceanfront 3BR/2BA end unit. The condo has been recently remodeled and shows beautifully. Units over in Waterpointe II come to the market infrequently; only one has been sold over the last year. The bright open floor plan provides beautiful ocean views from the kitchen, dining, and living room. There is a balcony access off the living room where you can enjoy your mornings or evenings, taking in the views of the beautiful Atlantic Ocean. An added surprise is that the primary bedroom is oceanfront, with private access to the balcony. Imagine waking up every morning to see the sun dancing across the ocean. You will find a king bed and ensuite in the primary bedroom. The second bedroom has a queen bed, and the third has a bunk bed system with a full-size bed on the bottom and a twin on the top. There is attached storage on the one balcony for all the beach supplies needed for a fun day out on the beach. Waterpointe II has an Indoor and Outdoor pool plus a Spa/Hot tub with a large sun deck. The Windy Hill location is convenient to Barefoot Landing, where you can find many shopping and restaurant options. Local restaurants are abundant, and shopping is nearby; the tricky part will be deciding where to go!
