Description

This 5-bedroom, 4-bathroom Surfside Beach home is in great condition and has only been used as a second home by the original owners – never rented. The second-row location, east of Ocean Boulevard, allows for excellent ocean views and quick, easy access to the beautiful sandy shores of Surfside Beach. Enjoy convenience to the beach, your own private swimming pool, and close proximity to local restaurants. Many recent interior updates include LVT flooring, granite kitchen countertops, stainless steel appliances including a stand-alone ice maker, and well-appointed coastal-themed colors/décor/furnishings. The low-maintenance exterior features vinyl siding, newer composite decking, and modern cable-style railing. Newer HVAC units are only a few years old. Three separate covered porches for additional living space to dine or lounge. Enclosed storage under the house, plus an enclosed outdoor shower. Being offered fully furnished. Excellent rental potential - a projection is available upon request.
