Description

Sometimes simplicity is best. It's where comfort can be found. The Harley gives you both. See for yourself as you enter into the foyer. The foyer leads you to a cozy bedroom, perfect for guests, and a full bathroom. From the foyer, you'll make your way to the kitchen, right across from the laundry room. This level also offers a comfortable breakfast nook and a family room that opens on to a patio for entertaining outside. Just steps away, you'll find the primary suite with a lovely primary bathroom. Make your way upstairs to find two additional bedrooms. Nestled between is a full bath and additional storage for all your organizational needs. The Harley is the ultimate in simplicity and comfort. You deserve both. Photos are used for illustrative purposes only. Home is under construction and scheduled to be complete late June. Stock photos are used for illustration purposes.
