Description

2-bedroom, 2-bathroom, top floor unit in The Gardens at Cypress Bay West with new HVAC, updated flooring, stainless steel appliances, and smooth vaulted ceilings! You'll enjoy the privacy provided by the stellar building location and the quiet of having no one above you. You don't need to do a single thing to make this place move-in ready! It's been well-maintained and is being sold fully furnished! The HVAC was just replaced on 9/5/2023. There is LVT flooring throughout the dining room, living room and bedrooms. The kitchen is tiled, with all stainless steel appliances. Just off of the living room is a large screened porch overlooking a community pond, with an attached storage closet for all of your beach gear! The guest bathroom features a walk-in shower (as well as the laundry closet with full-sized washer and dryer), while the master bathroom has a tub/shower combo. The current owner has only used the condo as a second home and never rented it (although, if you want to rent your unit, you can!). The Gardens at Cypress Bay West affords its residents a low maintenance lifestyle, giving you plenty of time to enjoy the community pool! Don't miss out on your own little slice of heaven at such an affordable price! Minutes from dining and entertainment on the Little River Waterfront and Cherry Grove Beach!
