## Description

Welcome to 415 Whitebark Drive, tucked away on a quiet cul-de-sac in the desirable Tall Pines neighborhood. This well-maintained 4-bedroom, 2-bathroom home offers a flexible floor plan and a variety of thoughtful upgrades that make it move-in ready and ideal for modern living. Step inside to find hardwood flooring flowing throughout the main living areas, adding warmth and style to the space. The beautifully renovated kitchen features custom cabinetry, solid surface countertops, and a layout that makes cooking and entertaining a joy. The converted garage adds valuable square footage, currently set up as a playroom but easily adaptable to suit your needs. A separate FROG (Finished Room Over Garage) is counted as the fourth bedroom, making it perfect for guests, a home office, or a private retreat. The home's major systems have been updated for peace of mind, including a new roof in 2024, new HVAC in 2020, a tankless water heater, and an automatic whole-home generator, a rare and valuable addition for storm season or power outages. Outdoor living shines with a spacious covered deck overlooking a large, beautifully landscaped backyard perfect for relaxing, entertaining, or enjoying a peaceful evening outdoors. The oversized driveway and two-car carport provide plenty of parking, and there's even a detached workshop on site for hobbies, storage, or projects.
