Description

You never have to leave home with this plan. The Myrtle Plan is designed with you in mind and offers many different options. The square feet is 2110 and is 4 bedrooms, 3 baths. The kitchen boasts granite counter tops and large pantry. The great room is huge and opens up to the large kitchen with breakfast island. The primary bedroom is located on the 2nd floor and has two walk-in closets located in the master bath. The master bath boasts a double vanity and shower. Upstairs you will find an additional 2 bedrooms each with a spacious walk-in closet. The laundry room is also upstairs for added convenience. The 4th bedroom is located on the 1st floor. This home comes with blinds, master shower door, cabinet hardware, garage door opener and 4-zone irrigation. The homesite is set up with a septic and well system that will help you save on future utility bill. *Home is under construction expected completion in February 2025. HOA is chicken friendly!
