Description

Nestled in the prestigious Prince George community, this lakeside haven epitomizes luxury and meticulous craftsmanship, offering a seamless blend of comfort, convenience, and natural beauty. Set on a sprawling estate lot with mature trees, the main level boasts an open-concept layout adorned with rich hardwood floors and custom finishes. The gourmet kitchen features ample bar and counter seating, dedicated wine storage, a butler's pantry, and opens into a cozy den with a wood-burning fireplace. A separate dining area further enhances the space. The primary suite, located on the main level, is highlighted by a cathedral ceiling and a luxurious travertine ensuite bathroom. Complementing the main level are a second den with a gas fireplace, a library or office space, and a unique dining room adorned with antique mirrors by a local artist. Upstairs, you'll find three additional bedrooms, two bathrooms, and a versatile recreation room that can be transformed into a guest room, workout space, or playroom. Additional features include a walk-in attic and bonus storage or office space adjacent to one of the bedrooms. Outdoors, the rear covered porch offers breathtaking lake views, a spacious seating area in front of a masonry fireplace, and a vaulted ceiling accentuating the property's mature oaks. An adjacent dining area and brick tabby patio, complete with a fire pit, create the perfect atmosphere for gatherings under the oaks. This custom masterpiece presents a rare opportunity to enjoy lakeside living in Prince George at its finest. A one-of-a-kind offering that combines elegance, functionality, and the serenity of nature.
