Description

Rare Opportunity in Lexington for the low 200's! This hidden gem is a rare find in a small, quiet subdivision not far from I-20. There is exceptional privacy with the lot backing up to a wooded area. Built in 2009, the home has some upgrades and features 3 bedrooms, 2 bathrooms, and a 1-car garage. The main level boasts an open layout ideal for entertaining, complete with a spacious living area. The kitchen is a bar for seating, stained cabinetry, a microwave above the glass top range. The primary suite includes a tray ceiling, a tub-shower combo, and a walk-in closet. The other 2 bedrooms share a bathroom and have good space. Home is move-in ready but needs a few touch ups done.
