- No Basement

## Description

AMAZING Opportunity to live in a historic farmhouse in downtown Gilbert . . . with 3 acres! This Southern Gem is truly remarkable with original hardwood floors, shiplap (before it was cool!) and an exquisite staircase that will have you feeling like you're on a movie set! General George Washington rumored to stop here in 1791 at Gilbert's outpost during his tour of the southern colonies. The home has 4 large bedrooms with an option for primary bedroom on main or on the 2nd floor. 3 acres contain several barns including a chicken coop as well as a 1500 s.f. heated/cooled workshop with utilities! Immaculate updates while still preserving history . . . this is truly a rare find! Zoned for award-winning Lexington 1 Schools, close to the interstate, Lake Murray, and all that Lexington has to explore. Schedule a tour today!
