Description

If you're looking for a ground floor 1 bedroom condo just two blocks from the beach, here it is! This fully furnished, turn key condo is in great shape and ready for its new owner. The location is unbeatable and is just a very short walk to the ocean. The condo would make a great short term rental investment as well as a long term rental, second home or even a primary residence. The condo sits right in the highly desired Windy Hill section of North Myrtle Beach. To top it off, the HOA fees are very reasonable and there is a community pool as well. These units never hit the market. Don't miss out on your own piece of North Myrtle Beach property! Schedule a showing today!!!
