Description

Endless possibilities await for this 4bd, 2ba home situated on an acre of land just a golf cart ride away from two public boat landings, waterfront dining, and Lake Moultrie, the third largest lake in SC. Escape the hustle and bustle of city life and spend your days on the water, playing bingo at the community civic club, or tending your own garden with numerous fruit trees already started. Or raise your own chickens for some farm fresh eggs! Short term or long term rentals are welcome so if an investment is what you are looking for this would fit that bill also. The interior of this home features two large living rooms with a dining area in between. Off one of the Living Rooms is the Master Bedroom with En-Suite bathroom and Walk-In Closet. The other 3 bedrooms are located on the opposite side of the home and share the other full bathroom. The Kitchen features a solid surface countertop with access to the laundry room which connects to the back door. The rear yard has retained a wooded property line for privacy and a storage shed but has plenty of room for any other plans you may desire. This home has a permanent brick foundation and has been detitled making the finance process much easier! Don't wait to view this home. Summer is here and the lake is calling your name!
