Description

Ever wanted a modern farmhouse with an open floor plan, 10 foot ceilings, double door entry, gorgeous custom fireplace, with a wrap around porch? This custom open floor plan, high end finishes has all of the features you are wanting and more! The modern farm house with board and batten wrapping the exterior, cypress beams, vaulted covered porches, and dark accents to highlight and add high contrast. The home boasts of hardwood floors throughout, and oversized windows in every room. The home has 4 bedrooms, vaulted master with stunning panoramic windows, with the front bedroom doubling as a potential office space. The home has 2.5 bathrooms with a gorgeous floor to ceiling custom tile, stand alone tub, backlight mirrors, and beautiful cabinetry. The walk-in pantry has double glass wooden doors, with a chevron butcher block to compliment the full custom cabinetry. The kitchen is the heart of the home, open to the breakfast area as well as the living room. It has floor to ceiling cabinetry, a 60 inch custom maple hood over a 36 inch gas cooktop. Farm house sink in the kitchen, additional sink in the walk in laundry, lockers in the mud room, all on almost an acre of non restricted, no HOA land.
