## Description

Come see this all brick 3br/2ba home with a 1 car garage next to Socastee High School and less than 15 minutes to the beach. This home has a front covered porch for your enjoyment. The mud room off of the kitchen is large and includes a utility sink, washer/dryer, and water heater. The master bathroom has a very nice tiled walk-in shower with glass shower doors. Rear yard is fenced in with a small shed. There is an additional Carolina style room heated from the same HVAC system as the primary home, and has an electric fireplace. Rosewood Estates is one of those quaint small communities designed back in the Air Force base years, with larger lots that are difficult to find these days. This home needs very little cosmetic repairs to make this a great primary, secondary, or rental property. There is no active HOA!
