Description

Welcome to your own outdoor oasis with a screened porch and sunroom that seamlessly merges indoor and outdoor living, along with a huge wrap around paver patio and backyard fire pit ideal for entertaining or relaxing under the stars. Located on a large corner lot, this 3 bed/2.5 bath home features sought-after one level living with an open concept floor plan, wide planked hardwood floors, dining room with custom trey ceiling and vaulted Great Room with gas log fireplace and hidden storage for electronics and audio equipment. The kitchen features granite countertops, stainless steel appliances, and large pantry closet-all open to the breakfast area with banquette seating. The split bedroom floor plan allows privacy for the primary suite while maintaining easy access to the secondary bedrooms. The primary suite features a vaulted ceiling and an en-suite bathroom with dual sinks, a spacious tile-surround shower with a rain head shower fixture, a private water closet, and a large walk-in closet. On the other side of the home the two secondary bedrooms share a Jack and Jill bath with separate vanities and a shared tub/shower combo. Rounding out the main floor is a half bath for guests and a walk in laundry room with direct access to the two car garage. On the second floor is a large flex room with multiple attic access points that would be perfect for a home office, media room, playroom or teen hangout! Located in popular Gilder Creek Farm and close to Five Forks and Woodruff Road and zoned for award winning schools, this home checks all the boxes!
