Description

This beautiful custom-built home in Pawleys Island is located on a marsh/creek front lot with incredible views. A dock permit has been approved, and the home has an elevator with 9-foot ceilings on the second and third floors. The home has numerous added features that make it perfect as a primary or second home. The exterior siding is fiber cement board and batten. There is a summer kitchen overlooking the marsh, with a covered porch on the second floor providing "miles and miles" of views. Construction on this home has been completed. Home is situated on a .65-acre lot
