Description

Welcome to 4810 Parkside Drive! You'll love this charming bungalow, overlooking a large, quiet park in popular Park Circle neighborhood! Updated for modern comforts with a nod to its 1940s roots, this two bedroom one bath home has refinished hardwoods throughout and a bathroom and kitchen that were both renovated in 2020. A nicely sized, sunny living room, dining room, and potential to expand up the existing stairs and into the second floor offer plenty of living space. The detached garage offers even more potential! This blank slate has electrical and water in place and offers incredible possibilities for the right buyer to customize it into a guest house or office. A second small workshop in the private backyard offer more storage and options. Parkside Drive is one of the quietest streets in Park Circle, but is still just minutes from restaurants, breweries, shops and all the things that make Park Circle so special. Come and see this charmer today!
